

Sharps Collection Pilot Program

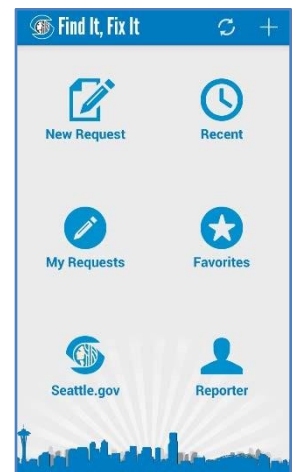

I found a Needle, Now What?

The City of Seattle has the following services for safe sharps "needle" disposal:

- Pick up sharps from public property within 24 hours of reporting
- Secure sharps disposal boxes in 9 locations throughout the City

To Report sharps on public property:

- Use the **"Find it Fix it"** smart-phone app
www.seattle.gov/finditfixitapp
- Fill out the webform at: www.seattle.gov/util/illegaldumping
- Call the Sharps and Illegal dumping hotline at:
(206) 684-7587

Sharps handling instructions (for sharps found on private property)

- If you find a needle or syringe, **do not pick it up with your bare hands**. Use gloves and tongs, a shovel, or a broom and dustpan.
- **Place used sharps and syringes in a manufactured sharps container or a 2-liter plastic soda pop bottle**. Make sure the lid fits tightly and tape it shut. If you use a plastic pop bottle, label it: "SHARPS, DO NOT RECYCLE."
- **Sharps are not allowed in the garbage** because they can injure garbage collection workers, residents, and employees who handle the garbage.
- Sharps can also be disposed of at Seattle Public Utilities' North and South Transfer Stations
